

## MOBILE HR

# Empower employees to stay connected on the go.

Work can happen anytime and anywhere. With Namely's mobile app, employees always have what they need to get the job done, right at their fingertips.

### With the Namely app, employees can:

---

Log in securely with TouchID and FaceID

---

---

Request (and approve) time off

---

---

Access paystubs with a single tap

---

---

Get deeper insights into earnings and deductions

---

---

Instantly search and contact colleagues

---

---

Get to know their coworkers

---

---

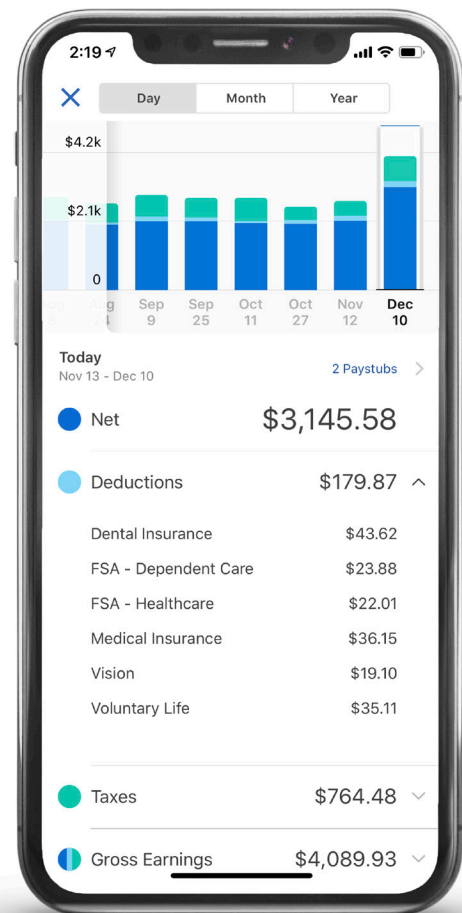

Stay up-to-date with company happenings

---

---

View resources, like the employee handbook

---

Ready to make HR tasks easier for your whole company?  
Remind employees to download the Namely mobile app:
