Hear from our Customers

OMNI HOTELS
& RESORTS

Anthony Belef

Senior Director, Omni Resorts

OrgVision platform gives us great flexibility for running our employee experience programs. In real time we can view employee recognition histories by employee or by any filtering criteria we choose to use. Employees find the OrgVision app extremely easy to use.

Carol McHugh

Director Operations,
Champalimaud

We have been extremely impressed with OrgVision HealthView. HealthView is our front line to combating the pandemic and it gives our employees the ability to self screen and then view all activity from a single dashboard.

Thomas Acuna

Director, NV5

With OrgVision TeamView we can now view employee profiles instantly. We are a large diversified consulting company and locating resources was time consuming. With OrgVision we can almost do this instantly.

Thank you
